

Introduction

Welcome

The purpose of this course is to provide you with the basic knowledge to:

- Complete a subgrant application in eGrants
- Review a subgrant application in eGrants
- Check the status of a subgrant application in eGrants

Course Structure

This course contains several lessons, one of which is the posttest. The lessons may be accessed in sequence or independently. Onscreen, each lesson takes an average of 20-35 minutes to complete, except for Lesson 5 which is about 66 minutes. After completing the course material, take the posttest to verify your knowledge and receive credit for the course.

A summary of key points for each lesson is available via a link on the lesson's first and last page. This summary includes text displayed onscreen, but does not include Knowledge Review questions or simulation screens, both of which are present throughout the course.

Course Objectives

Upon completion of this course, you should be able to:

- Describe the eGrants system function, users, and subgrant application process
- Log in and out of eGrants
- Navigate and access Help within the eGrants system
- Create a subgrant application
- Describe each subgrant application section
- Provide, update, and revoke access to a subgrant application
- Complete and submit a subgrant application
- Manage previously submitted subgrant applications
