Wanted – Community Feedback

Participate in Disaster Planning by Reviewing the Updated Mitigation Plan

● The Tribe is looking to the Pala Reservation Community for feedback on the draft of their Multi-Hazard Mitigation Plan.

The updated Multi-Hazard Mitigation Plan will be available for public review between May 11th and May 18th. It is located conveniently in three places on the Reservation, at the reception areas of the Pala Administration Building, Pala Fire House and the Pala Library. There are feedback forms available in these locations as well.

All responses will be read and a summary will be included in the final plan.

All Pala Reservation Community Members Are Needed
