

Lessons Learned Information Sharing

The DHS/FEMA Lessons Learned Information Sharing Web site (LLIS.gov) serves as a national online network of lessons learned, effective practices, and innovative ideas for the emergency management and homeland security communities.

LLIS.gov provides its members with:

- A wealth of information and front-line expertise on effective planning, training, and operational practices.
- Information about departmental programs and initiatives such as the Homeland Security Exercise and Evaluation Program (HSEEP), the Corrective Action Program (CAP), the Nationwide Plan Review, and many others.
