**Special Consideration:
Extraordinary
Circumstances**

Effective October 16, 2009, the provisions in 44 CFR 201.6 (a)(3) are available to tribes applying for mitigation project grants as subgrantees. This means that the FEMA Regional Administrators may grant an exception to the Tribal Mitigation Plan requirement in extraordinary circumstances, such as in a small and impoverished community, when justification is provided. In these cases, a plan must be completed within 12 months of award of the project grant.
