

INCIDENT BRIEFING (ICS 201)

1. Incident Name: Liberty County Fairgrounds	2. Incident Number: 20XX-08-LCF	3. Date/Time Initiated: Date: 08/15/20XX Time: 2015
--	---	---

4. Map/Sketch (include sketch, showing the total area of operations, the incident site/area, impacted and threatened areas, overflight results, trajectories, impacted shorelines, or other graphics depicting situational status and resource assignment):

See Fairgrounds Explosion Map

5. Situation Summary and Health and Safety Briefing (for briefings or transfer of command): Recognize potential incident Health and Safety Hazards and develop necessary measures (remove hazard, provide personal protective equipment, warn people of the hazard) to protect responders from those hazards.

Report is 15 mins after the incident began. The Central City Fire Department has established Incident Command. Public safety personnel on scene: law enforcement, fire, and EMS responded immediately to the incident. Single resources include: fire trucks, ambulances, and law enforcement officers.

Initial identified hazards included:

The propane explosion with the potential to spread to structures.

Potential hazardous material release from other facilities.

Potential for explosions if the fire encounters fuel or compressed gas cylinders.

Potential structural collapse of the building due to the explosion.

The safety concerns include:

Harm to civilians or emergency responders due to the aforementioned hazards.

Injured people that are unable to self-evacuate from the immediate area of the fire.
